

Sinclair Broadcast Group's recent actions have illustrated the DANGER caused by merging small local media into one large group.

Sinclair uses the PUBLIC airwaves free of charge, and is obligated by law to serve the public interest. When large companies control the airwaves, we get more of what's good for THEM and less of what's good for us (the public).

Sinclair's actions are a perfect example of why we need to make media ownership rules STRONGER, not weaker!

Thank you for considering my comments.
